①

AS10

The AS 10's elegant design creates the same innovative effect as a 'flat-screen' for televisions.
At just 8 cm in depth, it is about half the size of a traditional speaker, and can be used in a home theatre setting. Its sloping design means that the AS 10 fits perfectly in a corner, on the wall or even on a bookshelf. Easy assembly is made possible by the multi-functional bracket.

① The restricted depth (8cm) guarantees the ideal combination for an LCD or plasma screen.

model	**AS10**
system	2-way
bass reflex	yes
magnetic shielded	yes
woofer	paper cone 4"
tweeter	super polymer 0.25"
max power	120 W
nominal power (RMS)	55 W
dB	88 dB
impedance	4 ohm
magnet	5.3 Oz
frequency	90-20 KHz
dimensions mm (h x w x d)	250 x 200 x 90
weight	3 kg/pair
colour	white / black / silver-grey
extra	complete with bracket
